

# Terms and Conditions of Installation

Written By Webmaster Trinet Online ® © 2010

- Revision 1.1a 26 February 2010 -

## Installation Fee

- The Installation Fee for an installation is R 1 950.00 including 14% VAT.
- The Installation covers the following and will not be deviated from:
  - 1 X Bridge and Antenna in CPE Enclosure
  - 1 X 50mm Aluminum Mast - 6 meters in Length
  - 1 X 48 cm Tripod Bracket and accessories
  - 1 X Installation to 1 (one) point
  - 1 X CAT5e UV protected Cable 20 meter Length
  - 1 X PoE (Power over Ethernet) Unit with 3 pin Dedicated plug top
  - 1 X Traveling distance up to 20 Km Radius from our office using line of sight
- Any other equipment used during installation to first point to complete installation, will be charged immediately after installation have been completed.
- Any other requirements to extend installation or Internet connection to other points will be quoted on, and if accepted, will then be installed immediately or when possible (depending on work schedule for the day).
- Client will ensure reasonable access to property for installation to be completed in time.
- Wireless connection refers to connection from our transmitters to our receiver. From the receiver, connection is still hard wired and wireless connection for other users, like a laptop, is only available when installing a wireless Access Point at an additional fee.
